

The U.S. Department of Health and Human Services Health Resources & Services Administration announced the availability of funding for the New Access Point Grants program (*Catalog for Federal Domestic Assistance number 93.527*).

The purpose of this program is to improve the health of the Nation's underserved communities and vulnerable populations by ensuring access to comprehensive, culturally competent, quality primary health care services. Health Center Program grants support a variety of community-based and patient-directed public and private nonprofit organizations that serve an increasing number of the Nation's underserved.

The application deadline is February 27, 2013

Eligible applicants include city and county governments.
